

**Horizons at Sacred Heart University**  
*Student Evaluation Form*

To the Teacher: The applicant has applied to Horizons at SHU, a summer academic and enrichment program. The information requested below provides one way of getting to know the child and is reviewed with the understanding that the child is constantly changing and developing. We particularly value your observations of classroom behavior and your descriptive comments.

Our goal is to admit children that are the best fit for our program. Two-thirds of the students we accept are considered to be “below grade level” in literacy and/or math. We meet the child where he or she is and appreciate your help in providing information that we can use to determine how best to help the child learn and grow this summer. This evaluation will be kept in strict confidence and used solely to help inform a thoughtful admission decision. Please be assured that all information will remain confidential. We appreciate your cooperation in completing this form. Please call with any questions or to discuss 203-365-4470.
