

# SUMMER 2017

Inspiring | Building | Transforming

## Sparkle Moments

### Recreational Partnerships

We teamed with Central High School and Bridgeport's First Serve program to introduce tennis as part of our recreation for the first time ever.

### Tree Planting Celebration

We honored founding supporters, Sally and Hoby Kreidler with a tree dedicated in their honor.

- Horizons at SHU hosted a record number of 151 students this summer in grades K-6.
- 79% student retention rate from last year.
- 26 students - including 2 teachers - dove in head first and swam for the very first time.
- We accepted a new class of Achievement First students for the second year

### President Petillo's Read-In

The Hernandez siblings - Sam, Erika and Edgar - returned for another summer of fun here at Horizons and participated in helping SHU's President Petillo select the book that was presented at the Annual President Read-In.

### Annual Dowling Swim Event

For the 3rd year in a row, kids and grown-ups took a dip at Seaside Beach in Bridgeport. Talk about fun in the sun!

## Parent Reading Workshop

Students sat down in the classroom with a parent to share what they've been learning over the summer.
